Subject: Sprint Nextel merger.....if SPRINT had asked for the agreementl Nextel asked for, would FCC agree

05-63

JAN - 7 2005

Federal Communications Commission
Office of the Secretary

I think your group needs to stop and take a look at a question of if SPRINT was asking for the agreement that NEXTEL and FCC arranged would it have been the same result.

It seems like allowing a merger of SPRINT and NEXTEL would be a huge mistake
Have a Happy Holiday Season,
